

GOD'S BREAD BASKET:

NOURISHING THE COMMUNITY WITH LOVE AND HOPE

Hogansville is a community rich in resilience and compassion, yet it faces unique challenges. With only one grocery store in the area and limited shopping options, many families struggle to afford fresh, nutritious food. God's Bread Basket steps in to bridge this gap, offering a welcoming place for anyone in need.

God's Bread Basket is a food ministry dedicated to serving the Hogansville community. With a deep commitment to supporting neighbors—children, seniors, and hardworking adults—they provide food assistance to those experiencing food insecurity.

"It's always inspiring to see neighbors thrive..."

"Thanks to the generosity of Feeding the Valley Food Bank, local churches, businesses, and individual donors, we help approximately 500 people each month. Every Thursday from 9:00 AM to noon, with the support of loyal volunteers who have helped for years, food is distributed to ensure families have what they need to put meals on the table," says Pastor Terry Rainwater.

"One client, a grocery store cashier, shared her struggle. She described how difficult it was to

ring up carts full of food for customers while she couldn't afford even a loaf of bread. But after visiting God's Bread Basket, she left with more than food—she left with hope," says Terry. "We haven't seen her in a while, which we take as a wonderful sign that she's found stability and no longer needs our support. It's always inspiring to see neighbors thrive, and we celebrate her journey forward!"

God's Bread Basket is making a difference in this small town, one meal and one life at a time.

FRESH THOUGHTS

From Frank Sheppard, President & CEO

According to World Food Program USA, “Hunger is the world’s greatest solvable problem.” And at Feeding the Valley Food Bank, we know this to be true.

Here in the United States, an estimated 30% to 40% of our food supply goes to waste each year. That’s good, nourishing food that never reaches a plate, while families in our own communities face impossible choices: Eat dinner or keep the heat on? Fill a prescription or pay the electric bill?

For too many, these choices are a daily reality. But together, we can change that. By rescuing surplus food, strengthening local resources, and ensuring access to nutritious meals, we can turn abundance into opportunity—because no one should have to choose between a warm meal and a warm home.

With the expansion of our warehouse in 2024, we increased food distribution by 10.5%, despite food shortages. Thanks to our dedicated team, we expanded frozen meal deliveries and grew our Big Gobble Thanksgiving meal program from 3 counties to 16.

With our larger capacity, we’re serving even more children and seniors. Kids Café meals grew by 59% in Muscogee County and 41% overall, while

our Senior Meals program saw a 120% increase—ensuring more neighbors have the nourishment they deserve.

All of this is only possible because of the generosity of donors like you! YOU fuel our mission, helping us reach more families, provide more meals, and build stronger, more resilient communities. Every gift you give brings comfort to a senior, nourishment to a child, and hope to a family facing tough choices.

This past year, thanks to USDA Reach and Resiliency funding, we’ve strengthened our support for rural Partner Agencies—equipping them with the tools they need to serve more families facing hunger. With new kitchen equipment, forklifts, pallet jacks, and shelving, these agencies have expanded their capacity, making nutritious food more accessible in their communities.

Your gifts are an investment in us, and we are so grateful for your support! Through you, we’re not just providing food—we’re building stronger, more resilient networks to nourish more neighbors for years to come.

Thank you for being part of this work and for making a real, lasting difference in the lives of our neighbors.

Frank Sheppard
President & CEO

WHAT AN INCREDIBLE DAY IN LAGRANGE!

With the power of community and the dedication of amazing volunteers from Smyrna Baptist Church, Faith Baptist Church, and West Heights Baptist Church—alongside LaGrange Mayor Jim Arrington and Councilman Quay Bodie—we provided 300 Mobile Pantry food boxes filled with fresh produce and hearty frozen turkey breasts!

Troup County is full of strength, generosity, and resilience. While food insecurity affects 12.8% of residents—and 17.1% of children—we are coming together to create real solutions and lasting impact.

Mayor Arrington and Jimmy Pruitt, our warehouse manager.

Our Mobile Pantry Program is just one of the many ways we're ensuring families have the nourishment they need to thrive.

THANK YOU to everyone who gave their time, energy, and heart to this effort.

WOMAN OF THE YEAR!

Congratulations to Claire Babineaux-Fontenot, CEO of Feeding America, for being recognized as one of TIME Magazine's 2025 Women of the Year!

Claire's journey as a servant leader is deeply rooted in her extraordinary upbringing in a family of 108 children—biological, foster, and adopted siblings—where life was always filled with love, energy, and purpose. Her passion for ensuring that everyone has access to nutritious food shines through in everything she does.

"There will be nothing I'm asked to do in this work that will ever be anywhere near as difficult as what tens of millions of people in this country are asked to do every day. And I'm privileged that I get the chance to be their partner in this," Claire shares.

We were honored to have Claire attend the ribbon cutting of our Albany, GA. Warehouse in 2022.

Her leadership is an inspiration, and we celebrate this well-deserved recognition!

HANNAH SKIPWORTH SNAP OUTREACH

The Feeding the Valley Food Bank's SNAP (Supplemental Nutrition Assistance Program) strives to make a meaningful impact on the community. It's a program that's still in its infancy, but new team member Hannah

Skipworth has quickly learned the ropes as SNAP Benefits Coordinator. She is dedicated to guiding neighbors through every step of the SNAP application process, takes time to connect, listen, and understand individuals and their struggles, and advocates for them in a compassionate and supportive way.

One such neighbor, 54-year-old Charles Tucker, is a father of two. He believes that faith and family are key to ensuring his children's future success. But after the recent loss of his wife, Charles's children are grieving in ways they never have before.

However, Charles and Hannah completed a SNAP interview together, and Hannah submitted an application on his behalf. When she shared the good news that he'd been approved, Charles revealed that his son, Charles Jr., who had been struggling with the loss of his mother, had recently found a good job and was beginning to regain his sense of purpose. Hannah recently checked in with Charles, who shared that he appreciates the reliable support she provides. He knows that he can count on her to offer support whenever he needs it.

When you schedule a time to discuss SNAP assistance with Feeding the Valley, you're not just making an appointment—you're gaining a dedicated ally who will listen and provide the best help possible. We are proud to continue offering SNAP assistance to our community!

CONGRATULATIONS FEEDING THE VALLEY TEAM!

We are thrilled to share some great news: our warehouses recently underwent the rigorous AIB (American Institute of Bakers) food safety audit, and earned passing scores!

This comprehensive inspection is a key requirement from Feeding America for its network of food banks, ensuring we maintain the highest standards of food, safety, and quality. Our team worked diligently to prepare, and their hard work and dedication have paid off.

We are committed to ensuring that we can continue providing safe, nutritious food to our neighbors in our communities.

LOOKING TO MAKE A DIFFERENCE?

Visit our website feedingthevalley.org for ways to get involved! You can donate food, start a food drive, volunteer at the Food Bank, or make a donation. Join us in ensuring that no one in our community goes hungry.
