BECAUSE NO CHILD SHOULD BE HUNGRY

BECAUSE NO CHILD SHOULD BE HUNGRY

**Our Story.** Empty Bowls is a nationwide, grassroots movement that shines a light on hunger. The simple empty bowl is a powerful symbol, and here at home, the need is real. More than one in four children in Muscogee County and nearly one in three in Russell County face food insecurity, putting their health, learning, and well-being at risk.

### **Kids Café Feeds Kids Every Day.**

One way we respond is through our Kids Café Program. Since 1995, Feeding the Valley has partnered with Columbus Parks and Recreation and the Columbus Housing Authority to provide children with hot, nutritious meals after school and throughout the summer. Today, Kids Café serves more than 500,000 meals each year at sites across our

community, including schools, public housing neighborhoods, youth organizations, and summer programs.

### **Empty Bowl is March 8, 2026.**

The Annual Empty Bowl

Luncheon supports this vital work. On March 8, 2026, 800-1,000 guests from all over the community enjoy soups from local restaurants and select a beautiful hand-crafted or hand painted, one-of-a-kind bowl made by artists, students, and community members. And for pottery lovers additional bowls are for sale! Each bowl is a reminder that together, we can help ensure no child's bowl is empty.

**It is more than a bowl. It is a promise to end hunger.**
